LIONS
BRIGHTSIGHT

A Multiple District 410 Project

Dear MD410 Lions,

We are proud to announce a very beneficial collaboration with AutoZone Holdings (Pty) Ltd and Lions BrightSight!

Through discussions with them, they have very generously come on board with us to drive Lions BrightSight's vision of Used Frame Collection

throughout their national dealership network. Knights of the Blind badges will be handed to every contributor of used frames, at their branches.

Additionally, AutoZone has sponsored the purchase of a new PlusOptix Vision Screener at R125,000.00 for use by Lions

From the desk
of the BrightSight
MANCO Chairman

BrightSight for vision screening projects by Clubs throughout the Multiple District.

It goes without saying that we are hugely grateful to the team at AutoZone for their extreme generosity and interest shown in the work that BrightSight does!

The extra PlusOptix unit will alleviate the pressure on the current units and allow for more projects to take place simultaneously throughout our Multiple District.

Our sincerest thanks to the management at AutoZone.

We will also be undertaking a staff screening project at their premises in order to identify staff that require spectacles to correct their sight.

We look forward to serving them, in the near future!

Yours in Service,
PCC Cliff Hocking
