

THE CIRCLE OF SIGHT

From screening to spectacles

Screening without providing spectacles leaves vision needs unmet. Patients who fail screenings and not offered a refractive correction spectacles, is an incomplete service!

Lions BrightSight is your Club partner in offering quality spectacles to those in need at a fraction of retail cost, ensuring we **“complete the circle.”**

Here are the four steps!

1

SCREENING

Designate a Vision Chairperson in your Club, organize a vision screening project for learners, workers or senior citizens.

Download our Screening Kits and plan your project well in advance. Everything you need is in the kits.

Contact Kirsty-Anne at BrightSight to find out of our screening devices will be available for your proposed project dates.

Book your screening devices online.

2

OPTOMETRIST

Approach the Optometrists in your area to find out if they are willing to assist with testing your patients.

Build a relationship with them! Help them with the administration and paperwork to make it easy for them to assist your Club.

Download our Club Script Order Form and Choose a Frame document and ensure the form is completed properly.

3

ORDER ONLINE

Place your order online and upload the fully completed Club Script Order Form.

BrightSight will send the frames and scripts to our lab for fulfilment and then courier the spectacles to you.

Clubs can arrange with the Optometrist for a fitting to ensure that the patient is comfortable with their new spectacles.

4

HANDOVER

Close the Circle, restore their dignity and change a life with the gift of corrected vision!

Nothing beats the satisfaction of seeing a face light up when realising that they can see properly.

This is “WE SERVE” in action!
